

Institute of Nursing Science

Research Interests

www.rsh.hi.is / www.hi.is

UNIVERSITY OF ICELAND

Ásta Thoroddsen, PhD, RN, Associate professor.

Nursing informatics, Health informatics, Knowledge representation, Nursing documentation, Terminologies in health care, Wounds and wound care.

E-mail: astat@hi.is, Phone: +354 525 4981.

Birna G. Flygenring, MSN, RN, Assistant Professor.

Nursing administration, Management of human resource and knowledge.

E-mail: bgf@hi.is, Phone: +354 525 4984.

Brynja Örlygsdóttir, PhD, MSN, RN, Assistant Professor.

Health promotion and prevention, Knowledge discovery in databases (KDD), Nursing informatics, Family nursing.

E-mail: brynjaor@hi.is, Phone: +354 525 4993/
Mobile: +354 893 4788.

Connie Delaney, PhD, RN, Professor and Dean, School of Nursing, University of Minnesota.

Informatics in nursing, Knowledge discovery.

E-mail: Delaney@umn.edu

Dagmar Rósa Guðjónsdóttir, MSN, RN, Adjunct Lecturer.

Sexual and reproductive health emphasizing adult attachment.

E-mail: dagmar@hi.is. Phone: +354 525 4913.

Erla Kolbrún Svavarsdóttir, PhD, MSN, RN, Professor.

Family nursing, Families living with acute and chronic diseases and/or dealing with crisis, Dysfunction/violence in families.

E-mail: eks@hi.is, Phone: +354 525 4218.

Guðrún Kristjánsdóttir, PhD, MSc, RN, Professor.

Nursing care of children and families, Nursing care of school-aged children, adolescents and youth, Nursing care of parents, Public health of children.

E-mail: gkrist@hi.is, Phone: +354 525 4973/
Mobile: +354-861 3128.

Guðrún Pétursdóttir, PhD, MSc, Associate Professor.

Physiology, Epidemiology and developmental neurobiology, Safety at sea, Air quality and health, Sustainable management of natural resources.

E-mail: gudrunpe@hi.is, Phone: +354 525 4724.

Helga Bragadóttir, PhD, MSN, RN, Associate Professor.

Innovations in nursing, quality and safety in health care.

E-mail: helgabra@hi.is, Phone: +354 525 4988.

Helga Gottfreðsdóttir, MA, RM, RN, Assistant Professor.

Antenatal care, Health promotion and midwifery care in pregnancy, Childbirth education, Foetal screening and counselling.

E-mail: helgagot@hi.is, Phone: +354 525 4989.

Helga Jónsdóttir, PhD, MSN, RN, Professor.

Nursing care for the chronically ill, Experience of chronic illnesses, Nursing care of lung patients, Nursing practice.

E-mail: helgaj@hi.is, Phone: +354 525 4990.

Helga Lára Helgadóttir, PhD, RN, Assistant Professor.

Nursing care of children and families, Pain, Pain management and temperament in children.

E-mail: helgalar@hi.is, Phone: +354 525 4979/
Mobile: +354 863 7320.

Helga Sif Friðjónsdóttir, PhD, MN, RN, Assistant Professor.

Psychiatric Nursing, Addiction nursing, Prevention science.

E-mail: helgasif@hi.is, Phone: +354 525 4983.

Herdís Sveinsdóttir, PhD, MS, RN, Professor.

Gender and Health.

E-mail: herdis@hi.is, Phone: +354 525 4971/
Mobile: +354 896 8757.

Hildur Sigurðardóttir, MSN, RN, Assistant Professor.

Postpartum Care, Care of mother and infant, Breastfeeding counseling, Parent role and family adjustment.
E-mail: hildursig@hi.is, Phone: +354 525 4976.

Hrund Sch. Thorsteinsson, MSN, RN, Assistant Professor.

Evidence based practice, Nursing professional development, Clinical education.
E-mail: hrundsch@landspitali.is, Phone: +354 543 1490.

Inga Þórsdóttir, PhD, MSc, RN, Professor.

Human nutrition, Dietary intakes of infants, children and adolescents and other groups, Clinical and public health nutrition.
E-mail: ingathor@hi.is, Phone: +354 543 8414.

Ingibjörg Hjaltadóttir, MSN, RN, Assistant Professor.

Geriatric nursing in institutions.
E-mail: ingihj@landspitali.is, Phone: +354 543 9893.

Jóhanna Bernharðsdóttir, MSN, RN, Assistant Professor.

Acute psychiatric- and post traumatic stress nursing, Mental health nursing for women and particular risk groups, Rehabilitation and geriatric psychiatric nursing.
E-mail: johannab@hi.is, Phone: +354 525 4987.

Jón Ólafur Skarphéðinsson, Dr. Med Sci, Professor.

Cardiovascular physiology.
E-mail: joskarp@hi.is, Phone: +354 525 4836.

Kristín Björnsdóttir, EdD, Med, RN, Professor.

Home care nursing, History of nursing and health care services, Ethical issues in home care, policy making and welfare services, Knowledge for nursing practice, Nursing education.
E-mail: kristbj@hi.is, Phone: +354 525 4978.

Marga Thome, PhD, MS, RNT, RM, RN, Professor.

Maternal Child Nursing. Research projects: Promotion of breastfeeding, Maternal- and Infant Mental health, Experience of parenthood.
E-mail: marga@hi.is, Phone: +354 525 4970.

Margrét Gústafsdóttir, PhD, MS, RN, Associate Professor.

Gerontological nursing, emphasis on nursing home and dementia care. Research projects: Relationship between family of elders and nursing staff.
E-mail: margust@hi.is, Phone: +354 525 4977.

Ólöf Ásta Ólafsdóttir, PhD, MSN, RM, RN, Assistant Professor.

Midwifery, Care during childbirth, Being present during birth, Childbearing culture, Education and knowledge development in midwifery.
E-mail: olofol@hi.is Phone: +354 525 4904/ Mobile: +354 863 4623.

Páll Biering, PhD, MSN, RN, Associate Professor.

Mental health of children and adolescents, Addiction, Ethical issues in mental health services, Patient satisfaction, Methodology.
E-mail: pb@hi.is, Phone: +354 525 4992

Rúnar Vilhjálmsson, PhD, MA, Professor.

Sociology of Health.
E-mail: runarv@hi.is, Phone: +354 525 4974.

Sigríður Gunnarsdóttir, PhD, RN, Assistant Professor.

Oncology Nursing, Psychosocial needs of patients and their families, Symptom management, Palliative nursing.
E-mail: sigridgu@landspitali.is, Phone: +354 543 6021.

Sigrún Gunnarsdóttir, PhD, MSN, RN, Assistant Professor.

Work environment, Leadership, Communication, Support at work, Well being at work, Burnout.
E-mail: sigrungu@hi.is, Phone: +354 525 4919.

Sóley S. Bender, PhD, MSN, RN, Associate Professor, Dean. Certified specialist in sexual and reproductive health.

Sexual and reproductive health, Sexuality education, Sexual and reproductive health services.
E-mail: ssb@hi.is, Phone: +354 525 4980/ Mobile: +354 863 4314.

Þorsteinn Jónsson, MS, RN, Adjunct Lecturer.
Emergency and Critical Care Nursing, Physical and Health Assessment, First aid, CPR.
E-mail: thorsj@hi.is, Phone +354 525 4938.

Þóra B. Hafsteinsdóttir, PhD, MSN, RN, Assistant Professor.

Rehabilitation Nursing, Evidence Based Nursing, Rehabilitation, Nutrition and malnutrition, Depression, Patients with stroke.
E-mail: T.Hafsteinsdottir@umcutrecht.nl, Phone: +31 30 250 6007.

Þóra Jenný Gunnarsdóttir, PhD, MSN, RN, Assistant Professor.

Cronically ill patients, Complementary and alternative therapies in nursing: Reflexology, Massage, Aromatherapy, Fibromyalgia, Fatigue.
E-mail: thoraj@hi.is, Phone: +354 525 4982.
